SUMMARY

Driven by a fervent curiosity for computer languages, coding, and design, I am Annet Anil, a motivated student currently pursuing my Bachelor's degree in Computer Engineering at Karunya University, Coimbatore. Thrilled to have successfully completed my second year, I'm eagerly diving into my third year with enthusiasm and determination. Actively exploring diverse avenues within the realm of technology. Whether it's unraveling the intricacies of programming languages, crafting elegant designs, or delving into the latest trends in software development, I thrive on the challenges and opportunities this field offers.
